

Welcome to the programme-specific regulations for the Faculty of Computing, Engineering & Media (CEM) These are additional requirements, normally in place to address requirements outlined by a Professional, Statutory and Regulatory Body (PSRB). They relate to NEW* level 4 (first year) undergraduate students from September 2022, both on block delivery programmes and on programmes with other delivery patterns. * This includes students who initially enrolled in 2021/22 and are repeating level 4 in 2022/23.
